

GARDEN GOODS

### 3-ring planter

This space-saving pot holder becomes living art when it's mounted on a wall. The steel rings are welded together and cradle standard 4¼-inch nursery pots. (Pots not included.) \$25; [poketo.com](http://poketo.com)

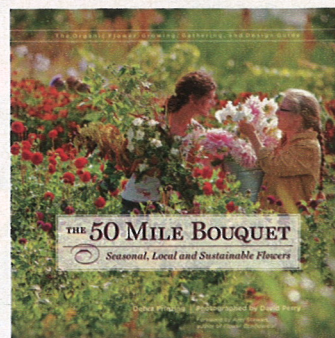

IN THE ZONE

Think you know which Zone you garden in? Go to [BHG.com/zonemap](http://BHG.com/zonemap) to check again. Updated for the first time since 1990, the USDA Plant Hardiness Zone Map shows many boundary shifts, thanks to more sophisticated weather data.

### RELIABLE PLANTS Made for shade

Tough-as-steel 'Old Ironside' astilbes, left, are named for the early U.S. warship. \$69 for 12 plants—three each of white, light pink, dark pink, and red; item MMO82433; 800/420-2852; [BHGgardenstore.com](http://BHGgardenstore.com)

### GOOD BOOK Just a snip away

The "buy local" mantra blooms in *The 50 Mile Bouquet: Seasonal, Local, and Sustainable Flowers* by Debra Prinzing (St. Lynn's Press, \$18; [amazon.com](http://amazon.com)). ■
